## MIKE GOULD OF ILLUMINATUS WINS ILDA LASER FINE ART AWARD

Ann Arbor, MI, November 14, 2017– Laser Artist, Mike Gould, Co-Founder of Illuminatus Lasers, won his third prestigious award from the International Laser Display Association (ILDA). The annual conference and awards presentation were held in Bratislava, Slovakia, November 6-9, 2017. Gould was not able to attend, but Illuminatus Co-Founder, Wayne Gillis, accepted the third-place award in the Laser Fine Art category on his behalf. Illuminatus member, Zita Gillis, also actively participated in the conference.

The winning submission, X Access #2, were adapted images from a previous gallery exhibit called “L is for Laser”, using updated laser lumia projectors, and photographed in Gould’s studio.

Illuminatus Lasers is a Michigan-based lightshow company that performs feats of laser lighting at art events, festivals, conventions, parties, trade shows, concerts, dances, and anywhere else festive and unique lighting is desired.
